Medical Acupuncture and Pain Management Clinic Brazil, E-mail: weilingmg@gmail.com

The **2nd Global Summit on Immunology and Cancer Therapy** which was scheduled during May 22-23, 2019 at Rome, Italy marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists, young and brilliant researchers, business delegates and talented student communities representing more than 15 countries, who made this conference fruitful and productive.

The conference started at 9:00 AM with registration and ended with poster session by 6:00 PM. The session ongoing with keynote talks by the eminent speakers like **Dr. Edward P. Cohen**, USA **Dr. Segundo Mesa Castillo**, Cuba and **Dr. Rina Aharoni**, Israel from the reputed organizations and oral talks followed by poster presentations from the best and top ranked physicians from varied departments who are interrelated to this field. Research scholars, students and exhibitions are the special attractions that made the event alive through their doubts and researches.

Carrying these successes of Allied Academies with 25 years of milestones in conferences moving to "**3rd Global Summit on Allergy and Immunology**" scheduled in Paris, France in the month of March 26-27, 2020. Theme "Explore Innovative Research Ideas for Prevention of Allergy & Immunology integrates prompt keynote presentations, Oral talks, Poster displays, Exhibitions and Video Presentations. Global Immunology 2020 conference plans to assemble every one of the general population over the globe like understudies, instructors, Assistant Professors, Professors, Directors, Chancellor, Scientists, Doctors, Managing Directors, Chief Executive Officers, Presidents and Noble Laureates and base a stage for them to share their experience, learning and research work, late progressions in the field of Allergy & immunology.

This meeting has been supported by the organizing committee members, editorial members of Allied Academies and its group journals.

- Immunology Case Reports
- Immunotherapy: Open Access
- Journal of Cancer Immunology & Therapy
- Journal of Allergy & Therapy

[Global Immunology 2020](#) mainly focuses on Vaccines and [Immunotherapy](#), Types of Allergies, Antigen Processing and its Categories, Auto Immune Diseases, Mechanism of Inflammation & its Pathobiology, Viral Immunology & Infection Control, Neuro immunology, Mechanisms of Immunosuppressive Agents, Cell biology & Metabolism, Tumor immunology, Transplantation immunology, Allergy and Hypersensitivity, Immunology of Infectious Diseases, Immunogenetics, Nanomedicines for Immuno Treatment, Adaptive Immunity, Mucosal immunology, Industrial immunology, Immunological Disorders, Advances in Immunology Research.

This conference is the best platform for global networking and scientific interactions, which will result in a healthy society with a goal of disease-free world. We have come up with an idea of honouring the presenters for their best lectures at the conference with the following:

- Best Keynote Speaker
- Best Speaker
- BestMasters/Ph.D./PostdocThesiswork presentation
- Best Poster Award

Ultimate motto is to encourage and justify your eminence. The conference was initiated with the honourable presence of the Keynote forum. The list includes:

- Title: Novelties in additive manufacturing and bio-printing, Edward P. Cohen, University of Illinois College of Medicine, USA
- Title: The story of glatiramer acetate (Copaxone) in the treatment of multiple sclerosis -the potential for neuroprotection by immunomodulatory treatment, Rina Aharoni, The Weizmann Institute of Science, Israel
- Direct evidence of viral infection and mitochondrial alterations in the brain of fetuses at high risk for schizophrenia, Segundo Mesa Castillo, Psychiatric Hospital of Havana, Cuba

The Next series of conference will be organized as **“4th Global Summit on Allergy and Immunology”** in 2021. The theme of the conference will be “Exploring Recent Advances and Immunology Research”.
